Internship Program Admissions

An internship in the MN DOC prepares the intern for practice as a generalist in the field of clinical psychology. Interns are provided the opportunity to deliver a breadth of services. These services include individual psychotherapy, group psychotherapy, crisis interventions, psychological assessments, and consultations with peers and interdisciplinary team members.

Graduate students from accredited doctoral programs in professional psychology are eligible. The Minnesota DOC is committed to fostering diversity in its training program; members of minority groups are strongly encouraged to apply. Applicants should have the following minimum qualifications:

- 1. Graduate coursework and practicum training in intellectual and personality assessment.
- 2. Graduate coursework and practicum training in psychotherapy.
- 3. Graduate coursework in psychopathology.
- 4. Verification from the Director of Clinical Training of the applicant's graduate program that they have completed all graduate coursework and any comprehensive examinations required by their program before the internship start date.
- 5. Student is in good academic standing at the educational institution in which they are enrolled.
- 6. The educational institution is regionally accredited.
- 7. While correctional experience is valued, intern applicants who have a strong foundation and direct clinical training in psychological assessment and psychotherapy, and who have practicum experiences that have allowed for experience and exposure to a broad clinical population will be given strong consideration.

<u>Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:</u>

Total Direct Contact Intervention Hours Y Amount: 350
Total Direct Contact Assessment Hours Y Amount: 150

<u>Describe</u> any other required minimum criteria used to screen applicants:

Applications are only accepted through the APPIC Application for Psychology Internships (AAPI). Applicants are required to complete the APPIC Application and submit three letters of recommendation, a redacted psychological evaluation, and their curriculum vitae.
